## PREAMBLE TO THE CONSTITUTION OF THE AMERICAN LEGION

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred percent Americanism; to preserve the memories and incidents of our association in the great war; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.

## Edwards-Quimby Post

Edwards-Quimby Post, Number 284, American Legion, was founded in 1923, when a group of veterans gathered and asked for a charter. Theron A. Lowden, of South Acton, was elected as the first commander. The charter was granted under date of July 3, 1923.

The charter members of the Post were: Theron A. Lowden, Jesse Briggs, Harry J. Clarke, Franklyn C. Matteson, Thomas Charles Gallagher, Everett W. Reed, George K. Hayward, Hugh C. Hodgen, William J. Murphy, Ernest E. Allsop, John P. Sisson, Alan B. Frost, Ernest E. Johnson, George H. Briggs, John G. Davis, John Clayton.

Since its inception, the Post has been a potent factor in the life of the town.

The Post was named in honor of two Acton men who gave their lives in the World War. Sydney J. Edwards, the first to be killed, equalled, in his fervor and his devotion to the cause of humanity, any of the prior heroes of Acton history, from Captain Isaac Davis down to the present. Shortly after the Germans invaded Belgium, Edwards volunteered for service with the Canadian forces. In May, 1915, he was reported missing in action, and officially declared dead. He was then a member of the Fifteenth Canadian Battalion.

Howard L. Quimby was a private in the 304th Field Artillery, 77th Division, and died of disease, March 11, 1919, having contracted his fatal illness while in the lines. He is buried in Romagne National Cemetery, in the Meuse-Argonne region.

Few civic events have taken place since the inception of the Post in which the Legionnaires, either in a body or

individually, have not had a prominent part. Drives for funds for Emerson Hospital have found Past Commander Dr. O. L. Clark working to make the drive a success. The Boy Scouts have had Legionnaires on their governing committees, and have received funds, and athletic equipment, as gifts from the Post. The American Red Cross has utilized the services of many Legionnaires. In 1935, during the drive for flood relief funds, the commander of the Post organized the many fraternal and civic organizations in Precincts 2 and 3 of the town (Precinct 1 refused to join in the drive), and raised the largest sum ever obtained in a similar event in Acton, all within a space of four hours' solicitation.

The school milk fund was organized under the direction of the Post, and has received varying sums each year since that time. In this connection it is worthy of note that the first two superintendents of Acton schools, Lawrence and Hough, were members of Edwards-Quimby Post. For several years, the Post has given medals to the outstanding male and female scholars in the graduating class at the Acton High School. Two members of the Post are members of the school committee, one being chairman.

Two years ago, under the direction of Past Commander Dr. Clark, toys, clothing and other articles were collected for Christmas gifts to the poor children of the town. For two years, more than 130 youngsters have received presents and a joyous, happy Christmas, who would have otherwise missed the annual event of childhood, the visit of Santa Claus.

When the town needs extra police, members of the Post don badges, more often without compensation, and do excellent duty alongside those town officials who are extra policemen, and are paid for their work. This has happened many times in the past. Several members of the Post are members of the fire department. One member is chief of police.

In 1935, the Acton Fair was staged under the direction of Legionnaires, the president and the two vice-

presidents being members of the Post. Legionnaires have had a large, though thankless part, in the annual Acton Fair.

Also, in 1935, when the town was celebrating its 200th anniversary, Legionnaires had a large part in the direction of the celebration. Several were members of the general committee. Others were members of the town committee. One arranged for and directed the parade, the greatest military and civic parade of Acton's history. Others staged the military ball, and turned in to the town a substantial profit. Another was chairman of the music committee and obtained a military band, and a great symphony orchestra for the cost of transportation only. Still others had important parts in other sections of the celebration, and several were in the company of Minute Men, direct descendants of those Brave Hearts who marched to Concord behind Captain Isaac Davis.

There is one activity of the town in which Legionnaires have not been too conspicuous. That is in the holding of town office. Like other communities, the politicians of Acton have failed to recognize the ability, devotion to civic affairs, honesty and patriotism of the Legionnaires, and the town has not gained by this lack of perception. Perhaps the future will see this condition corrected.

The relations of the Post with other organizations throughout the town have been amicable, helpful and inspiring. In staging the Fiesta this year, when assistance was needed, other organizations came to the front promptly, and the result will be seen in Middlesex County's Greatest Show.

Past commanders have been: Theron A. Lowden, 1923-25; Herbert A. Merriam, 1925-26; Donatus W. Benere, 1926-27; Lowell H. Cram, 1927-28; George Bernier, 1928-30; Dr. O. L. Clark, 1930-31; Edward L. Pendergast, 1931-32; Everett N. Montague, 1932-33; Cornelius C. Cullinane, 1933-34; Thomas C. Gallagher, 1934-35. Lowell H. Cram is now serving his second period in the office of commander.

---

The members of Edwards-Quimby Post acknowledge with  
grateful thanks, which places them under the direct obligation to  
remember in the future, the able, unselfish, and devoted assistance  
rendered in making this Fiesta a success, of many citizens of the  
community who are not members of the American Legion, but are  
its true friends.

## DIRECTORY AND PROGRAM

The Legion FIESTA opens on Friday evening, September 4, at 6 o'clock.

The Mercantile Show will open in the Mercantile Building.

The Juvenile Show will occupy the whole of the Juvenile Building.

The Automobile Show will be staged on the grounds of the Town Hall.

The Women's Arts and Crafts Show, under the auspices of the West Acton Woman's Club, will be staged in the Upper Town Hall.

The Flower Show, also under the auspices of the West Acton Woman's Club, will be staged in the Upper Town Hall.

The Midway will be located in the concourse between the exhibition buildings.

Moving Pictures, under the auspices of the United States Navy, will be shown in the Lower Town Hall, at stated periods.

Speakers will address the audiences from the Bandstand.

The Stuart Gorton public address system will be used to broadcast all speeches, announcements, information and music.

The Horse Show will be staged on Sunday afternoon, in the Horse Show Ring.

All athletic events and contests for the children of the town, except those exhibitions housed in the Juvenile Building, will be staged at the Horse Show Ring.

The FIESTA will be open on Saturday afternoon and evening, from noon until 10.30 o'clock; on Sunday afternoon, from 1 until 6.30 o'clock; and on Monday (LABOR DAY), from 10 in the morning until 11 in the evening, with fireworks being exhibited at 10.15 p. m. This exhibition of fireworks is guaranteed by the manufacturers to be the greatest show ever staged in the town of Acton. An especially manufactured and arranged program has been obtained, with effects never before witnessed in the town.

Admission to the grounds has been set at the very small sum of 10 cents. Because the admission is so low, there will be no pass list, other than necessary attendants, press, and management.

Delicious, strictly fresh and appetizing sandwiches and hot and cold drinks will be served at the Food Shop of the American Legion Auxiliary.

Sanitary, palatable and appealing ice cream and tonic soft drinks will be served at the refreshment stand of the Acton Lodge, I. O. O. F.

A display of marine articles, and motion pictures will be shown by the United States Navy.

A display of soldier equipment and other army materiel will be shown by the United States Army.

The Midway will be operated by the Legasse Exhibition Company, under the personal direction of Manager Legasse. This company has the most complete equipment of any exhibition company in Massachusetts, and all of it is clean, new and honest.

The Juvenile Exhibition is staged through the efforts of the Middlesex County Extension Service, and Mr. George E. Erickson, and has the approval and assistance to the extent of \$200 in prize money of the Massachusetts Department of Agriculture. This exhibition annually, at the Acton Fair, has attracted exhibits from more than 200 boys and girls of Middlesex County. As in past years, the youngsters have prepared their exhibits, and the FIESTA places a stage at their disposal for their annual exhibition.

## FOR THE MEMBERS OF

### EDWARDS-QUIMBY POST, AMERICAN LEGION

The assistance of all of our friends, who have materially assisted in the success of our FIESTA through their advertising in this program and premium booklet, is appreciated. To all of our members and to our friends, we commend the dealers who have used this advertising medium, whenever articles in their various lines are desired. Reciprocity is an excellent method of getting along with our fellow men.

### The Acton Mascot Show

The Mascot Show Will be Staged on Sunday Afternoon,  
Starting at 2 O'clock.

The Acton Mascot Show was introduced to the public of Middlesex County in 1935, at the Acton Fair. It was conceived, planned and managed by the then President of the Fair Association, now one of the board of managers of the FIESTA. As in the first show, purebreds, thoroughbreds, fullbloods, and other pedigreed mascots and pets will not be barred because of their superior breeding, but neither will they receive credit for the accident of birth which makes them superior to their fellows. The object of the show is to exhibit real boy and girl pets, regardless of breeding, sex, cost or any other factor. The following classes will be shown:

- Best four-footed pet, any kind.
- Whitest dog.
- Blackest dog.
- Brownest dog.
- Most unusual pet, any kind.
- Cat with most colors.
- Best trained cat, for behavior in public.
- Largest cat.
- Smallest full-grown cat.
- Best long-haired cat.
- Best tabbie cat.
- Best trained dog (minimum of five tricks).
- Best two-footed pet, any kind.
- Oldest dog
- Best trained pet, any kind.

## Athletic Program

The Legion FIESTA would not be complete without an athletic program for the boys and girls of Acton. To that end, a program has been arranged which will start on Friday evening, and will continue, at intervals until Monday afternoon.

The program opens with a grand RELAY ROAD RACE, between the boys of South and West Acton. The course covers two miles, the first mile of which will be run without active competition. Each team will consist of eight boys, and each boy will run 440 yards. The West Acton team will start from Sydney J. Edwards Square in West Acton, and will cover the direct route, Massachusetts avenue to Kelly's Corner, then by Main street to the Fair Grounds. The South Acton team will start at Howard L. Quimby Square in South Acton, and race over Main street to the Fair Grounds. Each team will cover exactly the same distance. Each team will start at the same instant, through experienced starters equipped with synchronized watches. The team members will be stationed exactly 440 yards apart, and each boy upon reach-

ing his next team mate, will pass the baton on and cease running. It is contemplated that, if the first four boys on each team are well matched, and cover their sectors promptly, that the fifth boys on each team, who will be together near Kelly's Corner, will start at about the same time. From Kelly's Corner to the Fair Grounds, the course is identical for each team, and the relay points are the same.

At the conclusion of the relay race, there will be a short program as follows:

50-yard dash, for girls under 16 years

# Mohawk Indian Trading Post

The Mohawk Indian Trading Post of Concord, Massachusetts, is unique in presenting genuine merchandise strictly Indian hand-made direct from the reservations. This interesting Trading Post was, according to Mr. R. D. Batchelder, Indian Trader, established for two purposes, educational and commercial, and in the hope of presenting the true situation of the Indians to eastern people and to dispose of their arts and craft work. A quick disposition of this work would mean that it could be replaced by other craft work and the Indians receive an increased allowance of food and other necessities.

Visitors, says Mr. Batchelder, are always welcome at any time and information within the knowledge of the Post is gladly supplied them, as well as assurance that no imitations or cheap souvenirs are carried. The Trading Post is glad to guarantee the quality of any of its merchandise.
